

Health & Safety Policy

COMDAIN INFRASTRUCTURE IS COMMITTED TO PROVIDING A SAFE AND HEALTHY WORKPLACE.

We strive to operate incident and injury free. To continually achieve best practice, we are committed to learning from our experiences and shall continue to improve the way we operate.

LEADERSHIP

We will:

- Provide leadership and direction to drive accountability for our Health and Safety performance.
- Empower employees and contractors to take the lead on health and safety.
- Openly consult and engage with our people and other stakeholders to build relationships and engagement.

RISK MANAGEMENT

We will:

- Obtain an agreed approach to the control of workplace hazards and prevention of unsafe practices or behaviours.
- Provide the necessary resources, training, supervision and specialist support for our people and contractors to safely perform their roles.

SYSTEMS

We will:

- Comply with and where practicable exceed relevant legislative and other requirements applicable to our works;
- Maintain our Comdain Management System (CMS) to conform to AS/NZS 4801 and OHSAS 18001.

IMPROVEMENT

We will:

- Establish and review measureable Health and Safety objectives and targets that promote continuous improvement in our Health and Safety performance.
- Undertake regular inspections and audits to monitor and evaluate our Health and Safety performance, and ensure our systems remain current and relevant.
